

NCI Help

COVID-19

NCI staff have returned to work on-site following a work from home period from late-March to mid-June 2020 in response to COVID-19. NCI systems have been fully operational through 2020, check the [live status page](#) for the most recent updates. NCI user support will continue to operate as normal, with email the preferred mode of support interaction - help@nci.org.au.
